This to bring to the notice to all students that Webinar on “Decade for Action on Road Safety” will be organized by Faculty of Law, The Maharaja Sayajirao University of Baroda, Vadodara on 20th May 2021, 1 pm at faculty of law

- By Order

Name of the Event: Webinar on “Decade for Action on Road Safety”

Date: 20th May 2021

Time: 1 pm to 2 pm

Venue: Online through Zoom

Organized by: Faculty of Law, The Maharaja SayajiRao University of Baroda

With a view to guide the students in their academic decisions Faculty of Law, The Maharaja SayajiRao University of Baroda organized a Webinar on “Decade for Action on Road Safety” on 20th May, 2021 at 1 pm.

The distinguished speakers were welcomed by Prof. (Dr.) Uma Iyer, Dean (OSD), Faculty of Law, and The Maharaja SayajiRao University of Baroda.

The participants were guided by Dr. Patanjali Dev Nayar, Regional Advisor; World Health Organization, SEARO, New Delhi. M.B.B.S.; (Osmania University, Hyderabad); DIP. Health Systems Management, (LSHTM, London).

He threw light upon the importance of road safety measures and insisted that it is time for action on road safety. He shared the global reports and threw light upon the crucial road situations, safety needs and the plan. He shared the fact that the rate of road traffic death in South-East Asia is the second highest in the world after the African Region.

He shared facts about Road safety with the help of live examples and addressed students about road safety issues and measures to overcome them. He urged upon the need of integrating road safety measures into broader agendas, developing holistic programs and implementing proven interventions to ensure sustainability of road safety work in countries.

He brings a firm commitment to strengthen rehabilitation efforts in the country and improve access to Assistive Technology, especially in the low resource settings and with emphasis on gender and financial equity. He advised the students about issues connected to road safety and how to deal with them.

He said the aim of road safety is to at least bring 50% reduction in death and injuries and called for all countries to act urgently upon it. He emphasized upon some imperative considerations like safe system designs, importance of the role of local and city authorities, and advanced safety systems.

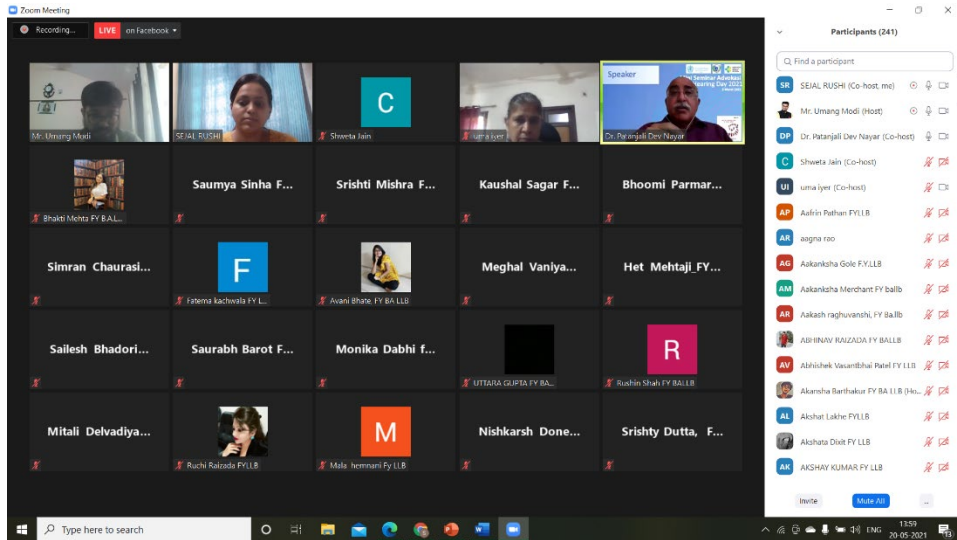

The Webinar was very informative and enlightening. It ended with a short question and answer session where the students received valuable information and inputs from the speaker Dr. Patanjali Dev Nayar, who satisfactorily resolved their queries.

The entire event was successfully convened by Dr. Umang Modi, Dr. Shweta Jain and Prof Sejal Rushi, with the support of young faculty members’ team under the dynamic leadership of Prof. Uma Iyer.

Number of Participants: 58

Number of Participants: 300 on Zoom, approx.
