FOR THE KIND ATTENTION OF TEACHING AND NON-TEACHING STAFF MEMBERS

Greetings, dear Members!

It may please be noted that the academic session for newly admitted students in the MJMC (Master of Journalism and Mass Communication) and BJMC (Bachelor of Journalism and Mass Communication) programmes would begin on Monday, August 29, 2022; and the proceeds of the formal Orientation Programme would be held from Thursday, September 1, 2022.

Two slots each day with Experts from Industry would be coordinated for the entire week, and there will be a class for Gender Sensitisation as well, along with introduction to all our University facilities for students including that of Smt. Hansa Mehta Library.

Looking forward to working out the details soon.
